GROUP 4 PROJECT

Individual Time Log

Name..... Group Number.....
Faculty Advisor.....Science and Level.....
Title of Project .....

This sheet is to keep a record of your work on the Group 4 Project, whether as part of a group, with a partner, or as an individual. You must keep it up-to-date, to help you keep a sense of your progress. You should keep a separate record for each science. Your faculty advisor and subject teacher may ask to see your record from time-to-time. You may obtain an additional sheet if needed from your subject teacher or group advisor.
